Dr. L.D.S. Rogan,
3 Hilton Terrace,
Bishopbriggs.

Dear Dr. Rogan,

Rev. David Black, 30 Fascally Avenue, Bishopbriggs, Glasgow

The above patient was recently reviewed at the Blood Clinic. His condition is really unchanged and he had no new problems. All previous investigations were negative and I have re-assured him regarding the state of his health. He will be reviewed at the Clinic in one year's time.

Yours sincerely,

G. Erskine.
Senior Registrar.
