CORRESPONDENCE SHEET

23rd April, 1969.

Reverend D.L. Black,
35 Bradfield Avenue,
Glasgow, W.2.

Dear Mr. Black,

I understand that you are at present in need of extraction of one tooth, and I have been approached by Mr. Orr of the Glasgow Dental Hospital in order that we may arrange a mutually convenient time for this to take place.

Provisionally we have fixed a date for Thursday, 15th May and you would require to come into Ward 5 of the Glasgow Royal Infirmary on Wednesday, 14th May for full pre-operative assessment.

I trust that this arrangement is to your satisfaction; if not, would you please contact me at Ward 5 as soon as possible.

Yours sincerely,

R.D. Barr.
