Dear John,

EILEEN O'HARA, DOB: 9.10.30 UNIT NO: 93961
66 MENZIES ROAD, GLASGOW, G21 3LY

You may recall that Dr Bong wrote to you in March about whether this patient, who is hepatitis-C positive, required a repeat liver biopsy.

I saw her at my Clinic today, and she said she had not heard anything from you, so I am enclosing her casenotes in case she could have got lost in the system.

Kind regards.

Yours sincerely,

E H McLAREN
