Dear Mrs. O'Hara,

I am writing to enclose a clinic appointment for 2 weeks at the Gastroenterology Outpatient Clinic. Unfortunately in our records it is not clear when we are due to see you again and I think it is important that we see you at this side of Christmas.

If you are unable to attend please telephone me on Ext. 5301 at the Royal Infirmary.

I look forward to seeing you.

Yours sincerely,

J. Morris
Registrar
