Dear Dr Davda,

EILEEN O'HARA, DOB: 9.10.30 UNIT NO: 93961
56 MENZIES ROAD, GLASGOW, G21 3LY

I have had a rather delphic communication from the cardiothoracic surgeons, the burden of which I think is that they have not noted hepatosplenomegaly before.

Obviously this, therefore, requires to be investigated further, so I will arrange to see Mrs O'Hara again and have also arranged for her to have an ultrasound of her abdomen in the meanwhile. (X)

Yours sincerely,

E H McLAREN
